The meeting may start at 10am but the team meet up at 9am to clean, set up ready to play and prepare the kitchen for refreshments The team works on a rotating schedule

Ideally 3 - 4 people per week helping

There are plenty of toys for the children to play with , with the added bonus that Eraine has joined the Milford Haven Sensory Library. Providing us with a selection of toys to keep the children busy

As a church outreach we want to include Jesus in all we do, therefore each week we sing grace, tell a story from the bible and sing a song focusing on Jesus

As a church outreach we want everyone to feel welcomed and special. It is important that everyone feels comfortable and valued

Conversation and getting to know the adults which brings the children has been a privilege

At Christmas we gave the children a gift at the Christmas party, which was the nativity story .

At Easter the children were offered a chocolate egg

Children's birthdays are acknowledged with the birthday song and blessing

We have recently given small Bible story books for regulars leaving to start school (5 so far).

At the end of every meeting the team pray for the community.

Please remember us in your prayers and the families we have contact with

If anyone feels that they would like to join the team please let Cheryl or Helen know , there is always plenty to be done.

May God continue to bless this outreach
